

Amended decision document: This decision document supersedes the one issued on 28 June 2023.

Amendment

Previous wording:

Under regulation 13.23 of the Health and Safety at Work (Hazardous Substances) Regulations 2017 the following restricted entry intervals are set:

Changed to:

Under regulation 13.23 of the Health and Safety at Work (Hazardous Substances) Regulations 2017 the following restricted entry intervals are set **where a pesticide is used according to the directions for use on the label:**

This amendment restricts the applicability of REIs to "where a pesticide is used according to the directions for use on the label."

The amendment comes into effect the day the decision was signed.

AMENDED RESTRICTED ENTRY INTERVALS FOR PESTICIDE

Under regulation 13.23 of the Health and Safety at Work (Hazardous Substances) Regulations 2017 the following restricted entry intervals are set where a pesticide is used according to the directions for use on the label:

Substance:	Fluro
Approval Number:	HSR101553
Restricted entry interval:	13 days for greenhouse use on fruiting vegetables (except cucurbits)
