Mandatory questions

The following information is collected for the purposes of Regulation 38 of the Health and Safety at Work (Mining Operations and Quarrying Operations) Regulations 2016, which requires an applicant for a certificate of competence to be a fit and proper person to hold that certificate of competence.

Note that you may be eligible under the Criminal Records (Clean Slate) Act 2004 to state that you have no criminal record even if you do have convictions. For more information please refer to the Ministry of Justice website.

Each application will be considered on its individual merits. When assessing whether an applicant is a fit and proper person, the New Zealand Mining Board of Examiners will take into account any matters it considers relevant, particularly the information provided below.

Answer the following questions by ticking the box that applies to you.

1. Have you had any document, or certificate of competence (or other similar license or document) suspended, cancelled or revoked (in any country)?	<input type="radio"/> Yes	<input type="radio"/> No
2. Have you (in any country) previously had an application for a document or certificate of competence rejected?	<input type="radio"/> Yes	<input type="radio"/> No
3. Have you been convicted for any criminal offence (in any country)?	<input type="radio"/> Yes	<input type="radio"/> No
4. Are you presently facing charges for any offences (in any country)?	<input type="radio"/> Yes	<input type="radio"/> No
5. Do you have any other information relevant to the Board's assessment of whether you are a fit and proper person?	<input type="radio"/> Yes	<input type="radio"/> No

If you ticked yes to any of the questions above, give details here.

Include an explanation of the circumstances and steps taken to address the issue, and attach any evidence to support these steps (such as references, certificates etc). Your application is likely to progress more quickly if the information you provide here is complete.

Additional information

(Continue on a separate sheet of paper if necessary. Remember to sign and date any separate pages you include with this form.)

Application for a certificate of competence as a manager to manage the quarrying operation specified in the certificate

Criminal history

Please attach a copy of your current New Zealand criminal record. This is available from the Ministry of Justice. Please also attach a copy of your criminal record history from all countries outside of New Zealand in which you have lived for more than 12 consecutive months within the last five years. **Your report must be no more than three months old.**

Please list below any attachments:

The Criminal Records (Clean Slate) Act 2004 provides a clean slate scheme for eligible individuals, preventing access to their criminal records. You must disclose all of your convictions if you are not protected by this scheme.

Your certificate of competence may be cancelled if you provide any false information in relation to the matters on this form, or if you are no longer a fit and proper person.

Consent

I authorise the collection by and the disclosure to the New Zealand Mining Board of Examiners for any of the following information about me for the purposes of determining my eligibility to be issued, and to hold, a certificate of competence under the Health and Safety at Work (Mining Operations and Quarrying Operations) Regulations 2016: my knowledge of and compliance with the health and safety regulatory requirements (including any regulatory action taken), and any criminal investigations, charges, and convictions (including in relation to health and safety offences). I understand that this information may be collected from, and disclosed by, any relevant person, organisation, or government department (including in Australia).

Signature:

Date: DD / MM / YEAR

Privacy statement

This information is being collected for the purposes of determining your eligibility to be issued, and to hold, a certificate of competence under the Health and Safety at Work (Mining Operations and Quarrying Operations) Regulations 2016.
