Your comments

Please add any general comments about the proposed safe work instrument:

Please add any comments about the proposal to add these specific class 1 substances to Table 1 Schedule 7 (Substances that require controlled substance licence) of the Health and Safety at Work (Hazardous Substances) Regulations 2017 (the Regulations):

Your submission may be made public

The Official Information Act 1982 (OIA) allows New Zealand citizens and permanent residents, or anyone in New Zealand, to request official information from the government - including copies of submissions. WorkSafe will let you know if we receive an OIA request for a copy of your submission. The content of your submission may be made available to the public, however you can indicate below whether you would prefer your details to be kept confidential.

I would prefer to keep my details confidential unless WorkSafe is required to release them:

Yes No

Modified Application of Controlled Substance Licence Requirements for Specified Class 1 Substances

Please add any comments about the proposal to correct the UN number of the substance Detonators, non-electric (for blasting) to table 1 Schedule 7:

Do you have any comments about the application of controlled substance licence requirements to any other substances currently in Tables 1 or 2 of Schedule 7? We would appreciate any detail you can provide to support your comments:

Please add any comments about the proposal to add the specified class 1 substances to Table 2 Schedule 7 of the Regulations (Substances that do not require controlled substance licence):

Are there any substances not currently captured in Tables 1 or 2 that should be? If so, please identify and provide the substance name, HSR number, UN number, and hazard classification. You can find this information at [Approved hazardous substances with controls](#)

Thank you for taking part in this consultation.
