

# Specification of standard relating to valve inlet connections of LPG regulators

## Consultation on a hazardous substances safe work instrument

Responses close 5pm on Tuesday, 27 June 2023

Please use this form to provide your submission on the draft safe work instrument: Health and Safety at Work (Hazardous Substances – Specification of Standard Relating to Valve Inlet Connections of LPG Regulators) Safe Work Instrument 2023

**Email:** [regulatory.frameworks@worksafe.govt.nz](mailto:regulatory.frameworks@worksafe.govt.nz)

**Post:** SWI Consultation, Regulatory Frameworks Team, WorkSafe New Zealand, PO Box 165, Wellington 6140

### Your details

We are asking for your details in case we need to contact you or your organisation to clarify information that you have provided. WorkSafe will manage any personal information you supply in accordance with the Privacy Act 2020.

Name:

Organisation:

Position/title: (if submitting on behalf of an organisation)

Postal address:

Mobile phone:

Email:

### Your submission may be made public

The Official Information Act 1982 (OIA) allows New Zealand citizens and permanent residents, or anyone in New Zealand, to request official information from the government – including copies of submissions. WorkSafe will let you know if we receive an OIA request for a copy of your submission. The content of your submission may be made available to the public, however you can indicate below whether you would prefer your details to be kept confidential.

I would prefer to keep my details confidential unless WorkSafe is required to release them:

Yes  No

### Your comments

Please add any general comments about the proposed safe work instrument:

Please add any comments on the proposal to incorporate *AS 4627:2017 Quick-connect devices for gas (Amendment 1)* for the purposes of regulation 15.33(2)(d):

Thank you for taking part in this consultation.
